

## LME WAREHOUSE PROCESS OF DELIVERY OUT PROCEDURES AND RATES.

The Procedures as set below have been drawn up in accordance with LME requirements and are effective as at 1 April 2017. H&M Metal Warehousing (S) Pte Ltd Standard Terms and Conditions will apply on all services provided by us. A copy of these Standard Terms & Conditions can be found on our website.

The Procedures as stated herein apply to our Warehouses in the following locations: Singapore, Malaysia, South Korea, Taiwan.

### Delivery

1. Upon receipt of notification from our London Agent, to the cancellation of LME warrants, H&M shall send the Release Confirmation to the Customer as stated on the cancellation;
2. H&M will issue invoices on FOT and full rental up to the agreed Release Date. In the event of non-collection, residual rent shall incur and must be settled by the Customer prior to collection.
3. Slots or collection times will be given on a first come first serve basis. If the Customer fails to perform collection within the allocated times, it shall be subject to rescheduling. Rescheduled slots may not necessarily follow on the next working day, and may be after other cancelled warrants already scheduled for delivery.
4. All payments must be received by H&M by 12.00p.m., prior to next days collection.

5. All payments received must be net payment as per invoiced amount. Payment received after the cut off time, or any short payment may result in the delay of the releases; H&M shall not be held responsible of non- delivery of warrants due to such reasons.
6. Cargoes release shall be on done on per warrant lot (max 25mt per truck).
7. Customers must ensure that their engaged transporter observes all Local Safety Rules and Regulations. H&M reserves the right reject loading if the performing trucks are in breach of such rules, or otherwise deemed unfit for loading e.g. exceeding safe laden weight, etc.
8. The receiver shall inform H&M of the details whom he has engaged to collect the cargoes on his behalf to be received (1 day advance) before the collection. Information must include the following:-
  - a) Transport Company;
  - b) Driver's full Name
  - c) Driver's Identification Number
  - d) Truck License Plate Number
  - e) Place of Receipt
  - f) Any other information(s)/document(s) required for local customs formalities / authorities;
